Scout fairies protect the fairies from all kinds of danger. They fly out on missions to watch for dangerous animals such as hawks, snakes, foxes, rats and wasps. But they are also ready to help when there are natural disasters, like floods, fires and landslides.

Name: Nyx
Scout Talent: Fearless, stealthy and athletic. She is the leader of the scout fairies.

Name: Fury

Weapons and Protective Gear

Being a scout fairy can be a dangerous job, so to protect themselves they wear armor, gloves and wrist guards. They also have various kinds of weapons like spears, swords, bows and arrows.

When scout fairies fly they form a V. Trace the line of the shape and the name of the leader who flies in the front.

Animal Weigh-in

Studying animals is fun, but measuring their weight and height can be difficult! Sometimes they just won't sit still!

Vets, animal researchers and zookeepers around the world take good care of animals. Among many other things they record animals' vital statistics, which helps them to keep track of the overall health and well being of different animal species – from big cats to tiny frogs.

Find a ruler and measure Fawn. Write down her height here:

Tink's Workshop

Out and About Fairy Notebook

YOU'LL NEED:

- ★ A PIECE OF FELT APPROXIMATELY A4–SIZE
- ★ A SLIGHTLY SMALLER SCRAP OF FELT OR DENIM
- ★ A SHEET OF A4 CARD
- ★ 6 SHEETS OF A4 PAPER (ANY COLORS YOU LIKE)
- ★ A BIG NEEDLE
- ★ WOOL THREAD
- ★ GLUE OR A GLUE STICK
- ★ BEADS
- ★ ZIG–ZAG SCISSORS

Make your own notebook so you can write notes just like Fawn and the other fairies. Use the handy pocket to carry your pencils and to collect anything you find on the way. You won't want to leave home without it!

1

Fold the felt in half. Cut your scrap of felt or denim to shape using the zig-zag scissors and sew onto the right-hand side. Leave the top side of the pocket open to pop your things in.

2

To make the cover, glue the felt with the sewn-on pocket onto the card. The easiest way to do this is to fold the card over and glue one side at a time. Leave to dry. Trim the felt to size if needed.

3

While the cover dries, prepare the pages to go inside your notebook. Take your 6 sheets of paper and fold them carefully in half.

4

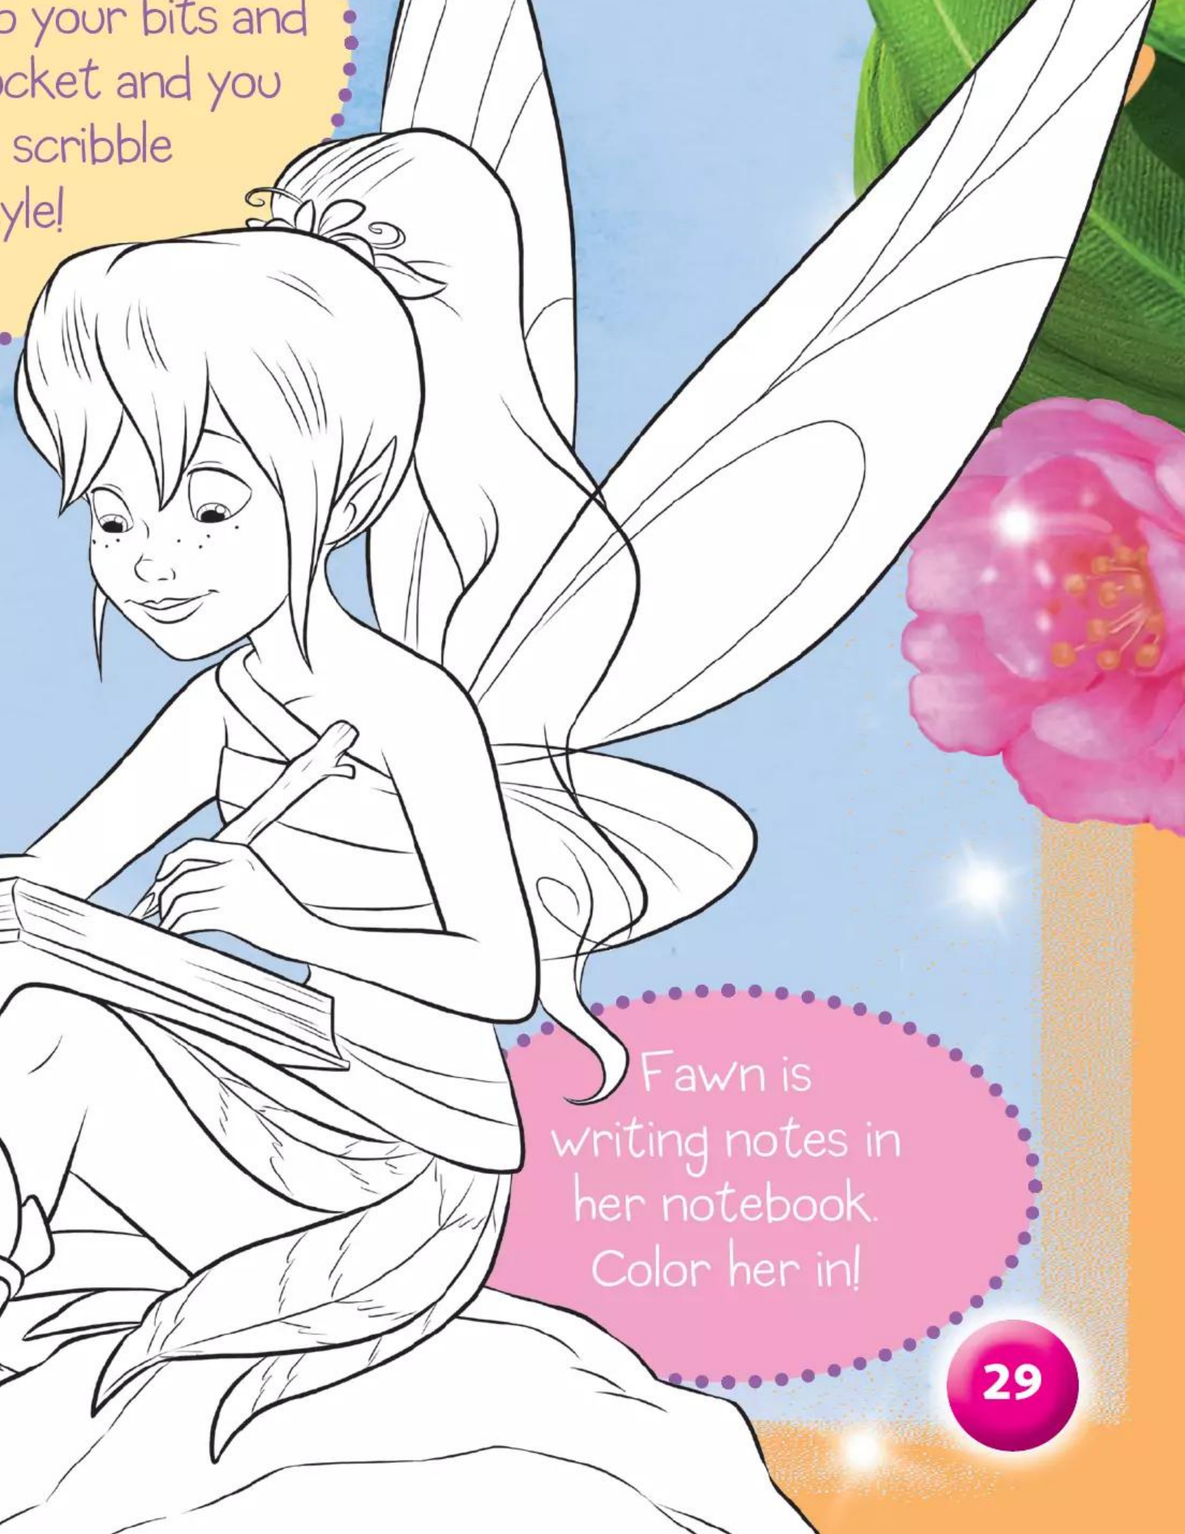
Place the pages inside the felt and card cover. Ask an adult to make 2 holes through all the layers. Thread a length of wool thread through the holes from the inside.

5

Close your notebook and tie the wool thread into a double knot. Leave a few centimeters dangling for decoration.

6

Put some beads onto the wool thread for a finishing touch. Pop your bits and pieces into the pocket and you are ready to scribble with style!



Fawn is writing notes in her notebook. Color her in!

Sunflower Fun

Sunflower Meadow is such a pretty place to be. Come join the fairies for some coloring fun!

Color in the happy fairies!

Spot these animals in the picture and check the boxes as you find each one.

Helping a New Friend

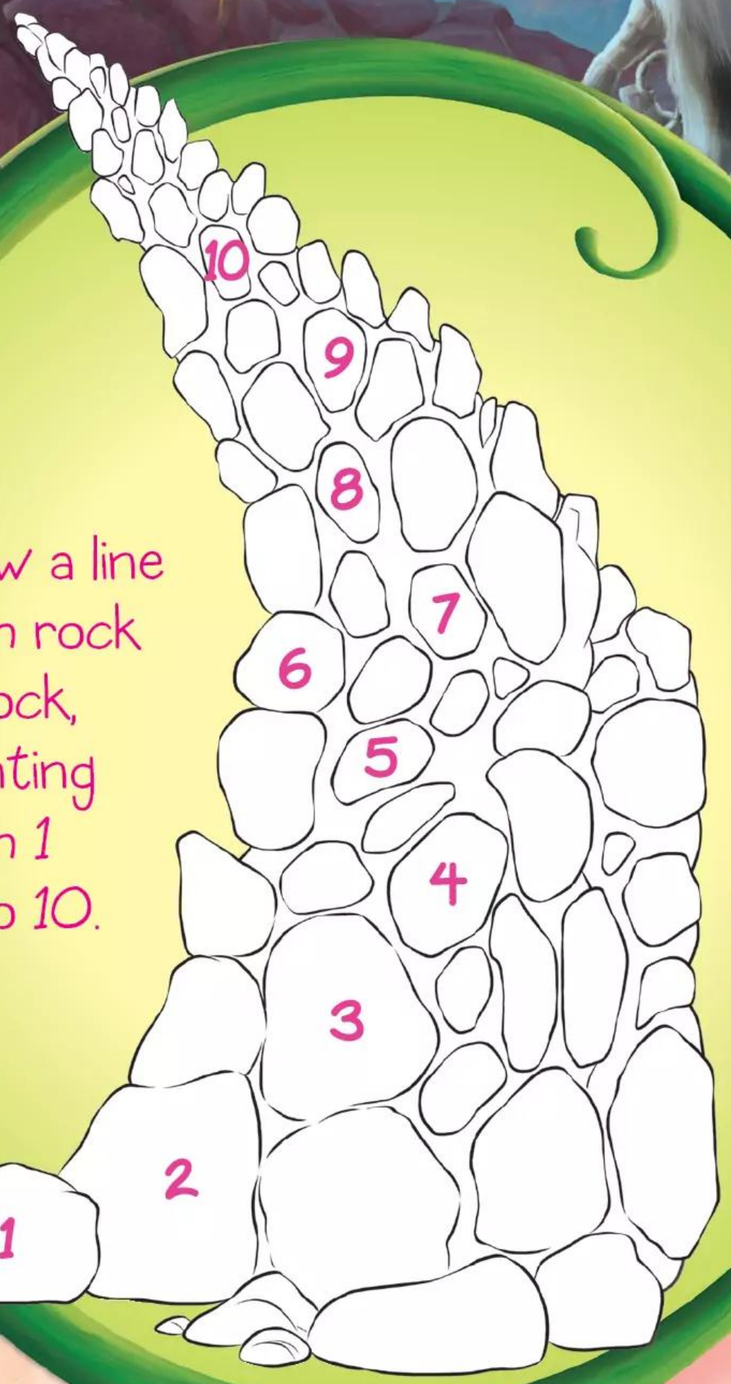
Fawn is helping the NeverBeast build the towers. Join them!

Count how many rocks Fawn has lifted with the help of pixie dust. Write the number here:

____

O F G F R

Draw a line from rock to rock, counting from 1 up to 10.



Copy each letter onto the same color line below to find out what Fawn names the NeverBeast.

_____

ANSWER: Fawn has lifted 6 rocks; she names the NeverBeast Gruff.

Havock in the Meadow

Fairy Fun

Gruff and Fawn have accidentally destroyed part of Sunflower Meadow with some rocks. Now it needs to be restored.

Circle the fairy whose dress is made from sunflower petals.

Trace the word and find out what you get if you press sunflower seeds.

OIL

Complete the sunflower by connecting the dots and giving it some bright colors. Don't forget to color the other flowers, too!
